ALTEC IN MAYEN UNDER NEW MANAGEMENT

Innovation in motion ➤

Mayen, January 1, 2026 – ALTEC Aluminium-Technik GmbH, a leading company in the aluminium and steel processing industry, announces an upcoming change in its management: effective **January 1, 2026, Sven Seeger will assume the position of Managing Director**. The current Managing Director, Andreas Geier, will leave the company after 15 years of successful service to pursue new professional challenges.

Sven Seeger brings more than 20 years of experience in the manufacturing industry, along with strong management and leadership expertise. During his career, he has served, among other roles, as Managing Director of a French production unit and was also responsible for the strategic sales development of a medium-sized corporate group. With this extensive expertise, he will actively drive and further sharpen ALTEC's strategic direction in the coming years.

"I am very much looking forward to taking on responsibility for ALTEC and, together with our highly qualified team, continuing the company's successful story. We will clearly focus our course on progress 'Made in Germany' and strategically strengthen ALTEC to meet the growing demands of a globalized market," said Sven Seeger. "At the same time, I would like to thank Mr. Andreas Geier for his outstanding commitment and successful leadership over the past years. I wish him all the very best, both personally and professionally, for the future."

Andreas Geier has led ALTEC for 15 years and has played a decisive role in shaping the company's positive development during this time. Under his leadership, ALTEC not only further strengthened its market position but also successfully entered and expanded new markets – particularly in aviation as well as rail and commercial vehicles. To ensure a smooth transition, Andreas Geier will continue to support the company in an advisory capacity.

"It has been an honor to lead ALTEC through an exciting phase of sustainable growth," said Andreas Geier. "I am proud of what we have achieved together and am confident that ALTEC will continue and further expand its successful path under the leadership of Sven Seeger."
